The Norrbom Bros. started plastering on the new Eaton residence last Monday.

Miss E. O'Connor of Santa Rosa was a guest at the Murray residence Sunday.

Miss Francis Kearney is here from the metropolis a guest at the Maryan home.

Leon Jasqueument of the metropolis was the guest of Mr. and Mrs. Edmond Debats last Sunday.

Charley Miller went to San Francisco Saturday to take in the Wolgast-Murphy boxing contest.

Louis P. Kearney was in Santa Rosa last Sunday and was warmly greeted by his many county seat friends.

Jack Kearney and Chief of Police Louder were interested spectators at Sunday's ball game at Boyes Springs.

Mrs. Flora Kruse arrived here Monday and will again take over the management of Flora Villa for the coming season.

Louis Martin, proprietor of the Riverside Hotel, has opened up in connection with his hostelry a candy and ice cream store.

Summer visitors are beginning to make their appearance in this valley and the season promises to excel all previous ones in point of numbers.

Mr. and Mrs. O. T. Wilkinson and Mr. and Mrs. Frank Bomhoff went fishing at Embarcadero last Sunday and landed a nice mess of tide fish.

Mrs. L. L. Lewis and Miss Sheron of Alameda came up on Monday morning's Southern Pacific train and will spend several weeks on the Lewis ranch.

A bulletin board giving a schedule of all departing and arriving trains is to be installed at the depot here for the accommodation of the traveling public.

The batteries for Boyes Springs at Sunday's game were Forsburg and Reiterman and for the Panamians Lotzen and Cary. The score was 5 to 1 in favor of the Boyes Springs team.

Billy Carr, crack entertainer, who has been acting in that capacity at Charley Miller's Villa the past three seasons, has accepted his old position and will resume his duties next Saturday.

Emil Guillardou, the promising young center fielder for the El Verano Juniors, made two runs last Saturday for his team. Emil is some ball tosser and will be heard from in Sonoma Valley baseball circles.

The new depot at Fetter's Hot Springs is being rushed to speedy completion. It will be Monolithic in style, the first depot of the kind to be built in California. When completed it will be a credit to the management of that popular resort.

E. Mullen visited in San Francisco last Sunday.

Joe Davis transacted business at the county seat one day last week.

Louis Kearney, a well-known vineyardist of Bennett Valley, was in town last Friday.

George Weaver and Will Cummings were passengers for Santa Rosa on Saturday evening's train.

Chas. Spindler, the well-known traveling man, left for the northern part of the State last Friday, where business will keep him several weeks.

Supervisors Thos. J. Hutchinson and Harry Weise, accompanied by two friends, were on a sight seeing tour through the valley Sunday. A large touring car conveyed the gentlemen to the different points of interest.

John Armstrong, a retired capitalist of San Francisco, is registered at the Bellevue Hotel. Mrs. Armstrong is also here and is being treated for rheumatism at Getchell's sanitarium near Agua Caliente.

The Jewish Passover was celebrated at Canton Villa and Fest's Farm on Monday. An elaborate feast of dainty Jewish dishes was served at these popular resorts, plates being laid for forty at the former and fifty at the latter.

The carnival and barn dance given at Charley Miller's Villa on Friday and Saturday evening last was a grand success. A large crowd from the metropolis and Sonoma county towns was in attendance. The music was good and all had one fine time.

Ken Weaver, the well-known contractor and builder, has contracted to build a number of summer cottages, a bungalow and a garage on the old Quen ranch near Glen Ellen. Contractor Weaver has commenced work with a number of crack mechanics and expects to have the buildings completed within two weeks.

It was the same old story at the Eighth and Howard street arena, San Francisco, last Saturday, when Ad Wolgast, the fighting Dutchman, was fought to a standstill by the Harlem Harp, Tommy Murphy. It was a gruelling contest, and Murphy showed plainly that it takes the Irish to beat the Dutch, although the writer picked the German to win and lost a few simoleans. He is glad, however, that his brother Irish-American won and now picks Tommy to grab the championship from Willie Ritchie on the Fourth of July.

The annual dinner of the Batchelor's Club was served Sunday in their club room. Among those present from San Francisco were Misses A. and E. Armstrong, Irene Schlessenger, Emma Murphy and Messrs. Jos. Bertram and Roy McDonald. The following from El Verano were present: Larry Larsen, Harry Baines, Frank Benjamin and Archie McKiver. The feast consisted of chicken a la carte. The feast was followed by an entertainment, speeches, etc. Toastmaster Larsen called upon the writer for a speech, and he responded with an address "On What is the Matter with El Verano?" He also thanked the ladies for their attendance at the banquet. A three-seated rig then conveyed the club members and their guests through the beautiful Sonoma Valley by daylight.

Miss Emily Kearney visited in Oakland Sunday and Monday.

L. Peterson and son were in San Francisco Friday and Saturday.

Mrs. A. Block spent Friday and Saturday with relatives at Kenwood.

Miss D. Beall visited in San Francisco the latter part of last week.

Miss C. McMinn of Santa Rosa was a visitor at the residence of Mr. and Mrs. A. W. Weaver last Friday.

George Braun, one of the greatest wrestlers the world has ever seen, is a guest at the Agua Caliente Springs.

John McClellan, a well-known business man of San Francisco, was here Saturday and Sunday a guest at the Bellevue Hotel.

A. Chelini, El Verano's coal king, was busy the fore part of the week unloading a carload of coal at the S. P. yards.

John Serres, our popular roadmaster, has been busy for several days mending a bridge and also making the roads good in the vicinity of the J. K. Bigelow ranch.

Art Hickman, manager of amusements at Boyes Springs, was in town last Friday. Art is a welcome visitor here and the boys and girls were all glad to see him.

Billy Carr was up to Charley Miller's Villa last Friday and Saturday to attend the barn dance. Bill is an entertainer in San Francisco and he returned to that place Sunday evening.

Foreman John F. Replogle and crew of thirty-five men have about completed the new bridge on the S. P. line near Sobre Vista. Many other improvements are being made along the line in getting ready for the heavy freight train service over this branch.

M. Topete, poundmaster and humane officer, was in town the latter part of last week throwing the bull of what he hasn't done. If there is such a thing as prevention of cruelty to animals in Sonoma Valley he had better wake up and stop the hitching of dogs to wagons twice as heavy as the dog and pulling children three times its weight. This is one thing the writer does call cruelty to dumb beasts.

The baseball game played last Saturday at Sonoma by the El Verano Juniors and the Sonoma Grammar School nine was won by the latter. The score was 7 to 8. The game was fast and snappy. Emile Valente was on the firing line for the El Verano boys, while Nick Carriger twirled for the Sonoma team. A return game will be played a week from next Saturday and the El Verano nine are training hard in expectation of winning.

The last issue of the Sonoma Index-Tribune was in demand here last Friday evening. In a number of public places eight eyes were trying to get a glimpse at one paper in order to read the roast that the yellow journal of Sonoma, the Expositor, had coming to it. The idea of a man calling himself a man among men and resorting to such despicable methods to falsify a public subscription list for charitable purposes in order to deprive Fetter's Hot Springs of receiving due credit for its liberal donation of \$50.00 for the Ohio-Indiana flood sufferers is almost beyond belief. But that is just what that petty individual who owns that newspaper did to gratify a personal spite, and one and all in this valley are denouncing that paper and its owner in no unmeasured terms. This would-be newspaper man ought to go bag his head or disappear from our midst altogether.

The political prohibition carriage formerly owned by R. H. Long and which was doing duty on our streets during the last Local Option election, has been sold to a syndicate here, and will be painted and kept as a remembrance of the great wet and dry contest in this valley. Col. Long, who has moved to Oakland, was on half wet and one-half dry according to whom he would meet during those exciting times. During his campaigning he used this four-wheeled wagon, which generally could be found tied in front of a grogshop. Nevertheless he, like many another of his kind, made the prohibitionists believe that he was dry and would vote dry. The old political caravan will be used in parades, etc., only and will be kept in good trim with the words "The R. H. Long Prohibition Carriage" painted upon it. The syndicate is delighted with the purchase of this wagon and believe they have a live relic. The price paid for the water wagon is said to have been enormous.

Frank Sprague, a Sonoma attorney, transacted official business at Santa Rosa one day last week.

The S. P. Co. is laying 90-pound steel rails along the Santa Rosa branch. They have now laid these new rails as far as Schellville and are getting ready for the large freight trains that will run over this line.

Chief of Police Louder, much to the delight of his many friends, has returned to El Verano from Sausalito and will remain for the summer. The chief is looking well and was over his beat the other day, finding everything quiet.

Geo. Bruns, owner of the Standard Hatchery, made a large shipment of baby chicks to Wheatland, Cal., via the S. P. Co., last week. Mr. Bruns has one of the largest hatcheries in Sonoma Valley and is receiving many orders for chicks from all over this State and also Oregon.

The El Verano Villa barber shop is now open for the season. M. Pupard, a crack all around barber from San Francisco, has taken charge of the shop and will run it in an up-to-date manner. He formerly owned a large shop in San Francisco which he recently disposed of and will make his future home here.

Harold Gianini, who with his folks is stopping at the Helvetia Hotel, had a narrow escape from drowning last Friday morning. The little fellow, who is five years of age, was playing along the bank of the Mouyer creek slipped and fell into a deep hole. The boy's mother heard his screams and rushed to the lad's rescue calling upon former Assemblyman Cunningham of San Francisco, who occupies a cottage near the place, for assistance. Mr. Cunningham responded instantly to the cry of the panic stricken mother and pulled the little fellow out of the water and after working over him for some time resuscitated him. The lad had a close call and promised to stay away from the creek in the future.

ARCHIBALD MCKIVER.

## PIONEER MOTHER PASSES AWAY

Widow of the Late Joel M. Zane  
Expires at the Age of Seventy-Three Years

Mrs. Mildred A. Zane, widow of the late Joel M. Zane, and a pioneer mother of this valley, passed away at her Glen Ellen home on Thursday night of last week after a brief illness.

The deceased came to California across the plains with her late husband in 1861 and ten years later located on the Zane ranch near Glen Ellen, where she has resided continuously for fifty-two years.

Mrs. Zane was a good woman in the true acceptance of the term and was greatly beloved by a wide circle of friends. She is survived by Lucy R. Zane of Glen Ellen, Elmer C. Zane of San Jose, Geo. S. Zane of Woodland, W. A. Zane of Glen Ellen and J. M. Zane of Davisville.

The funeral was held Sunday from the home of deceased, the remains being shipped to Oakland for cremation.

## Sonoma Drum Corps to Give Picnic

Sonoma Drum Corps will give a picnic at Sonoma Grove on Sunday, June 1st. Dancing games, etc., will be the features. ## Has Now Resorted to Lying

The Expositor, the Bigelow organ down the street, in order to distract attention from its dirty work of last week in falsifying a public record of the El Verano Development Association, has now resorted to lying in addition to its other disreputable journalistic methods.

In proof of this Mayor M. E. Cummings, in a statement printed elsewhere in these columns under his own signature, gives the lie to the following venomous squib which appeared in the Bigelow organ of last Wednesday: "They (referring to the collection committee of the Red Cross Fund) turned over to Mayor Cummings \$193.50, which caused the Mayor to remark to a representative of this paper that he had never seen such a cheap way to get money."

Mayor Cummings denies in toto making any such remark and he is sustained by the outside representative of the disreputable sheet in question, who has passed the buck up to Bigelow, the ostensible owner of the Expositor.

## A Local Joke.

The El Verano Development Association has a membership of nearly one hundred paid up members and all kinds of money in its treasury. Can the so-called Chamber of Commerce of Sonoma say as much. It is true in its ex-Secretary, Mr. G. W. Reed, the latter has proved a live wire. He has attended to the correspondence of the defunct concern for over a year, on his own hook, but as an organization the so-called Chamber of Commerce is dead beyond resurrection. Locally it has no influence and practically no funds and no membership to speak of and if there has been a meeting of the concern the past year the people of Sonoma know nothing about it. In other words, the Sonoma Chamber of Commerce is a local joke.

## Bigelow and the Japanese Question

Secretary of State William Jennings Bryan is now on his way to California from Washington to confer with Governor Johnson and his henchmen on the so-called contemplated Anti-Japanese legislation in this State. It has been asserted and not denied that Guy J. K. Bigelow of this valley, who knows all about the Japs, will be called upon to take part in the conference, to the end that Mr. Bryan's mission here be crowned with success.

## Really Amusing.

It is really amusing to see the efforts of a few members of the defunct Sonoma Chamber of Commerce to take upon themselves all the credit of preventing the threatened abandonment of the U. S. Bonded Warehouse in this city by the government. The fact of the matter is almost every citizen by petition and otherwise lent a hand to keep the bonded warehouse here, the boast of the so-called Chamber of Commerce to the contrary notwithstanding. Pure and simple the so-called civic body is represented almost solely by its reputed President and Secretary and one J. K. Bigelow.

Celeste Granice Murphy, working in collaboration with Laura E. Foster, the noted illustrator of New York, has been contributing some very clever work to "Life" and "Judge." Mrs. Murphy's conceptions are splendidly worked out by the artist and the contributions bring a big price. "Repartee," "A Back Number," and many suffrage cartoons have elicited the highest praise.

Liquor will be sold on the grounds of the Panama-California Exposition and it will not be necessary for those who attend to carry the wet goods in a half-pint bottle in their hip pocket.

## SUIT TO CLOSE PARENTE VILLA

Officer Jos. F. Ryan Files Complaint With District Attorney Charging that the Resort is Run in Unlawful Manner

A complaint was filed against the Parente Bros. resort in this valley by Deputy Sheriff Jos. F. Ryan, last Thursday, charging that the place was being run in an unlawful manner, and demanding that

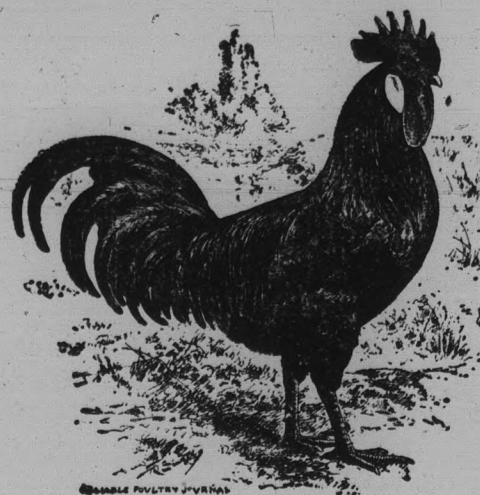

the liquor license of the villa be revoked by the Board of Supervisors. The complaint will be heard by the Board of Supervisors at its May meeting. It is charged that the resort is a rendezvous for dissolute women and disreputable men with the approval of the management and that the place is conducted in an immoral manner. Officer Ryan is a very conscientious official and in filing this complaint he undoubtedly has the evidence to support him and the backing of the better element in this valley.

A lively game assured Sunday at Boyes Ball Park.

## VINEBURG NEWS ITEMS

"Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.

The stork has been doing a land office business in this section of the valley lately.

Henry Gundlach of the Gundlach-Bundschu Wine Co. visited Rhinefarm last Friday.

Mrs. Fred. Bulotti and son were here last Tuesday visiting Mrs. Colli at her "Bird Nest Cottage" home.

Mrs. Philip Bill, Sr., and Miss Florence Bill were guests at the home of Mrs. Arthur Batto last Monday afternoon.

Mrs. Drake and daughter of San Francisco were the guests of Mr. and Mrs. Louis Klapperich the fore part of the week.

Mrs. Clements and family of El Verano were the guests of Mr. and Mrs. Albert Groskopf at "Whispering Pines" last Sunday.

The Progressive Casino Club met at the Hotel Geneva Sunday and spent a pleasant evening, all the members being present.

Steve Griffith, who has been confined to his room for over a year with hip trouble, is now able to be out and around again.

Eddie Petersen, Sonoma's young plumber and tinsmith, was busily engaged in doing some plumbing work at Pleasant Villa on Saturday last.

Supervisors Harry Weise of Glen Ellen and Tom Hutchinson of Santa Rosa inspected the broken bridge at Embarcadero on Sunday last.

Enrico Forni has added another one to his many arts as he has been painting the fences surrounding the attractive grounds of Pleasant Villa the past week.

Miss May Batto, after an extended visit with her parents here, returned to the metropolis Saturday morning, where she will be the guest of her sister, Mrs. A. Figone.

The dance last Friday at Potter's Hall, Huichica, was a great success and a pleasant affair. These periodical dances are getting to be quite popular down this way.

It may be simply a rumor, but it is said that Cedric Cutter is to go on the stage in vaudeville and will tell the audience some funny stories. That is what the people are saying, Teddy. No fooling.

The stork hovered over the home of Mr. and Mrs. B. Schrupp Sunday morning and now a pretty little bright-eyed Native Daughter has come to gladden the hearts of this worthy couple.

A thirty-ton carload of dried fruit was shipped from Batto's spur last Tuesday by John Cropp, the well-known Santa Rosa merchant. This spur is getting to be quite a shipping point.

It is with pleasure that we are able to inform the many friends of Joseph Groskopf, who has been dangerously ill with pneumonia the past two weeks, that he is now convalescent under the care of Dr. Leix of Sonoma. We expect to see "Silent Joe" back to his old post as engineer of the Gundlach-Bundschu Wine Co., a responsible position he has held for many years.

## BOYES HOT SPRINGS HAPPENINGS.

By Art Hickman.

The attendance was greatly improved at Sunday's game between the Panamanians, a fast San Francisco aggregation, and the Boyes Springs home team. The visiting team played a fair game considering it was their first time together this season. They promise a much harder battle when they are in good form. The Boyes Springs nine under the able wing of Joe Solari proved themselves perfect ball players, putting up an errorless game excepting one bone-head play that would have puzzled Solomon, so it was almost excusable. The score of the day was 5 to 1, Boyes the victor.

Goldensen was a large factor in Boyes' team Sunday. Another addition to the home team is Big Foshberg, a twirler that everybody knows, late of the New York League. He will alternate in the pitchers' box with the other staff of tossers.

It is a known fact that Bill Reiterman catcher of Boyes Springs, is the fastest man obtainable. He enjoys the distinction of being the best bush catcher in California.

Steve Norton of the Portland Coast League has signed with the management of Boyes Hot Springs to play first until Dimp Byrnes, the Assemblyman of Marin county and 1st of the Georgetown and Santa Clara College teams, is available.

Fred Nagle County Recorder, autoed down from Santa Rosa last Sunday. Mr. Nagle's family accompanied him.

Supervisors Weise and Hutchinson were prominent visitors here Sunday and sported a beautiful Cadillac of the latest model.

A very pretty and attractive dinner party was given Sunday at the hotel here by Mrs. F. Newburgh and Morris Newburgh, both of Petaluma and frequent visitors to Boyes Springs. Among the party were L. Allenberg and wife, Selma Allenberg, H. Newburgh, San Francisco; Alb. Newburgh and wife, W. Newburgh, F. A. Allenberg and E. Boersing, Petaluma. The visitors came in a large new vehicle and it was a very enjoyable reunion.

Judge W. McGee of San Rafael and a party of friends, one day this week, visited Mrs. Sullivan, who has been at the springs the past two weeks.

Mr. and Mrs. Jack Stevens entertained lavishly here for three days.

Colonel Brady continues to be the most interesting individual at this resort and there is hardly a guest ever enters the famous spa without asking, "Where and how is the Colonel?" His is a kind nature that cures as many ills as does our sunny climate.

Frank Goad gave a stag party the other evening in his cozy cottage on the county road. Among the invited were Jack Kelly, C. C. Sisson, Frank Walterstein and your humble servant, Grace Bros. and John Dewar were also prominent guests.

One of the most attractive parties of the day was Geo. Hansen of San Rafael who was accompanied by Thos. Day of Day's Pharmacy of that city and others. They drove an immense Locomobile of the latest model and did not have to eat any dust.

Sam Scharman, a capitalist of the metropolis, spent the week end with his family. They have just returned from a trip through Europe making most of the journey in their beautiful Lozier car which covered 9500 miles while on the trip. The car was driven to Boyes Springs and looked none the worse for its long mileage.

Robt. F. Hill and party from Elridge came down in their E. M. F. and enjoyed the day at Boyes.

Next Sunday, April 27th, the Whitlock Cordage Company will be opponents of Boyes Springs and a lively game is guaranteed.

On Sunday, May 4th, the snappy Glen Ellen team will oppose the Boyes Springs. This is a local game of interest.

"Steve" of Stev's Grill spent a few days in San Francisco this week and was seen in highbrow society in the Odeon Cafe. This is a small world, Steve.

Mr. and Mrs. Vanderkar entertained Miss Mabel Scherwin of Alameda. She spent a fortnight at the Vanderkar home and returned to the large city with a coat of tan that you cannot buy at Simmon's.

Mrs. William Hill after spending two weeks in Berkeley and Tracy returned home very much to the satisfaction of Mr. Hill, he proving to be unable to boil water. I personally suffered at his hands in the eating line. "Col." Martin Bradley Hill, the annex to the Hill family, returned in perfect health.

## BIG RACE MEET HERE JULY FOURTH

The Sonoma Valley Driving Club to Eclipse all Previous Efforts to Make the Races the Greatest Ever.

At a recent meeting of the Sonoma Valley Driving Club it was decided to hold its usual Fourth of July meet on its race track in this city.

Efforts are already being made to make this race meet the best ever held under the auspices of the club, and it has pulled off some very speedy events in the past.

The club numbers among its membership many prominent citizens of Sonoma and vicinity and these have decided to offer liberal purses to attract hither speedy horses from various parts of the State, and it goes without the saying they will be among the pacing, trotting and running entries on that day.

The track will be put in fine shape and made as speedy as possible. One of the contenders in the 2:15 pacing event will be Mike C., the "Pride of Sonoma," now owned by Al. Dupont, the well-known horseman of San Francisco and this city.

## To Whom It May Concern.

I wish to assert that the statement made in the Sonoma Valley Exhibitor in its last issue, wherein I am quoted as saying, to use the exact language of that newspaper, "that Mayor Cummings remarked to a representative of this paper that he had never seen such a cheap way to get money," (referring to the subscription list handed in to me by the El Verano Development Association), is false and uncalled for.

I will state moreover that the El Verano Development Association was appointed by me as one of the committees in this valley to raise funds for the flood sufferers, and as I understood that the association appropriated \$25.00 to aid its committee in making a canvass of the valley and that its expenses was to come out of what was given by the association and not from the individual subscriptions, and the expenses were provided for in that way.

Therefore, I did not think I had any reason to comment on the returns whatsoever, as the committee accounted for the full amount collected.

I will also state that I took this matter up, after the assertion in question had been published, with Mr. Landsborough, who claims to be a representative of the Sonoma Valley Exhibitor, and he acknowledged the statement was absolutely false as to my criticizing any of the committees and stood ready to prove the assertion a falsehood as far as he had any knowledge.

Respectfully yours,  
M. E. CUMMINGS,  
President of the Board of City Trustees and Mayor of Sonoma.

## Al. Dupont Has Returned.

Al Dupont, the well-known horseman of this city, has returned from San Francisco for the summer, and will give his entire attention to his blooded stock farm here and will also put Mike C., his celebrated pacer in training for the Sonoma's Driving Club's meet here on the 4th of July.

## New Pastor for Congregational Church.

## SONOMA VALLEY NEWS ITEMS.

As Reported by That Live Wire, Archibald McKiver, Who is Always Right There With the Goods.

A large crowd will attend the Confirmation at St. Francis church Sunday.

Geo. McNab of Sonoma was a Sunday morning S. P. passenger for Santa Rosa.

A. Gale and his brother Richard spent Sunday visiting in Oakland and San Francisco.

George and Bill Block went to Kenwood on Sunday morning's train to play ball with that team.

Mrs. A. Gale and son took a ride to Vallejo on Sunday afternoon's S. P. train. They returned home in the evening.

A Milkman's Ball is the latest to be talked of here to be given in the near future. Larry Larsen who has the big thing in view has appointed John Basilou, the Beau Brummel of El Verano, as floor manager and he has accepted. A San Francisco band will furnish the music and if the arrangements go through it will be a live affair.

Jimmie Sterling, prominent Sonoma society chap, attended the barn dance at Charley Miller's Villa Saturday evening and to his great delight met his old-time sweetheart whom he had not seen for ten years. Jimmie was all smiles when he clasped his hand with the dear one and to the writer broke the news that wedding bells were soon to ring. There is some speed to friend Jimmie.

The ball game at Boyes last Sunday drew a large crowd of fans and fannettes. The game was good, the contesting teams being Boyes and the Panamanians of San Francisco. It was an enthusiastic crowd and good plays were made by the players on both sides. The score was 5 to 1 in favor of Boyes. A rattling good game is on the card for next Sunday and everybody should turn out as these games will continue during the summer season.

Some person or persons have been making it a habit in this community of taking little pups just able to open their eyes and in order to get rid of them, scattering them along the county road. A woman complainant tells the writer that she saw no less than a dozen little homeless dogs raving for their mother near the school house, which looks as if some of the school children are bringing them this way. If these heartless creatures want to drown the pups they should be put in a sack and thrown in the water and not scattered in different places. A close watch to detect the guilty one is being made.

Among the prominent Sonoma Valley fans who attended the ball game at Boyes Sunday were former Assemblyman Cunningham of San Francisco, accompanied by barber Basilou and Dave Forni who hiked it from El Verano and were rooters for the home team. Former District Attorney Frank Sprague of Yolo county along with Senator Jim Baines enjoyed bleacher seats away up in the air and were interesting spectators. Postmasters Mullen and Graham laid aside the strenuous duties of weighing parcels post and other postoffice duties and seemed to enjoy the great national game. Drs. Thomson and Parramore viewed the game on the East side and seemed to enjoy the boys knocking home runs. Art Hickman called the game at 1:30 which pleased the crowd, who applauded the players from the first inning to the last.

ARCHIBALD MCKIVER.  
El Verano, April 23, 1913.

Come early to ball game Sunday. Starts at 1:30.

## Resignation of Episcopal Rector Spencer

At a meeting of the Vestry of Trinity Episcopal Church of this city, held last Tuesday evening, the resignation of Rev. Irvine Spencer, the rector, was tendered and accepted to take effect August 1st. Before adjourning the vestry elected Mrs. P. N. Stofen, Mrs. F. T. Duhring and Mrs. J. F. Bateman delegates to the Episcopal Convention which convenes in Woodland, Yolo county, on Tuesday, May 20th.

### Death of an Aged Lady

Mrs. Mathilda Marzo, mother of Eugene and A. Marzo of El Verano, passed away last Monday, at the ripe old age of 84 years and 20 days.

The funeral of deceased took place from the residence of her son Eugene Marzo last Wednesday morning and was largely attended. She was a native of Italy.

There were funeral services in St. Francis church, after which the remains were followed to their last resting place in Mountain Cemetery by a large number of relatives and friends.

May 4th, Glen Ellen vs. Boyes Springs. Bring your rooters.

### Trout Fishing

Trout fishing in the various streams in this valley is not what it used to be. The light rainfall of the past winter is probably responsible for the small catches being made by local fishermen who know the game from A to Z. Game Warden H. J. Wicker and H. H. G. anice invaded the headwaters of Agua Caliente Creek, one day this week, and got for their pains one wee bit of a 6-inch trout, whereas last season they got the limit over the same fishing grounds.

### Sonoma Parlor Donates \$25.00

In addition to the amount forwarded by Mayor Cummings to the Red Cross Society, San Francisco, for the benefit of the Ohio and Indiana flood sufferers, Sonoma Parlor, No. 111, N. S. G. W., has forwarded to that society the sum of \$25 as its contribution to the fund.

Come early to ball game Sunday at "Boyes." Starts 1:30 p. m.

### Miss Henrietta Chauvet to be Married

**"Yes, our new wagon's a Studebaker—the only kind we KNOW"**

"The Studebaker idea has been in our family for sixty years. We have never thought of buying any other kind of a wagon."

"It's true, we're continually being offered other wagons costing a little less, with lots of promises as to what they will do. But we know in our family what a Studebaker will do. A few dollars difference in price doesn't mean much. It's the service a wagon gives that we consider most."

"Long service for a fair price means more every time than short service for a few dollars less."

"That's why we stick to Studebaker—and 'Stick to Studebaker' is a pretty good motto for a man who uses wagons."

"Studebaker wagons are built of good stuff. They're made right by people who've had years and years of experience in making them right—people who are trusted the world over."

"Studebaker wagons last, because they're made to last."

"Look out for the dealer who tells you his wagon is just as good as a Studebaker. That's my advice after a good deal of experience—and the experience of all of my people. You get a Studebaker and you've got a safe investment."
